Date: _____

How does God's Word teaching me to love God and others?

Prepare → Word → Heart → One Another → Love → Rest

Prepare to Listen. Pray for humility.

Listen to God's Word. Write down the sentence or line that stands out. What don't I understand? What surprises me?

Listen to the Heart. How does this passage speak to my heart when hearing it read?

Listen to One Another. What does someone else notice that I didn't? What did I hear from others that helped me understand the passage?

Listen to Love's Call. How is God's Word teaching me to love God and others? How is God's Word calling me to love God more generously? What one thing can I do about it?

Rest in God. Silence and closing prayer.
